

Aficio™ MP 201SPF

Compact and **cost-efficient**

A4 B&W multitasker

RICOH Believe in a better way

All-round functionality adapted to your office

Smooth operation, security, cost-efficiency – these are the benefits you want from an office solution. The Aficio™MP 201SPF fulfils your demands perfectly. Compact but fast, this monochrome A4 multifunction is more powerful than its size suggests. Enjoy a wide range of functions at an attractive Total Cost of Ownership. As an extra benefit, the MP 201SPF can be customised with Ricoh's Embedded Software Architecture, adding even more value to your existing fleet.

Key features

- Fast copying (20 ppm)
- Standard duplexing
- Advanced faxing
- Standard multifunctionality
- Push scan functions

Flexible scanning

Documents are easily digitised, stored and distributed with the multifunctions colour scanner. To save time, you can scan up to 50 sheets at once with the MP 201SPF's standard ARDF. Swift and easy distribution is guaranteed: scan to email, to folder or to the optional USB/SD card slot.

Efficient printing

Ricoh's small MFD boasts sophisticated printer features. To maximise your efficiency, use the Stored Print/Store and Print functions. Avoid wasting time and consumables on misprints by making sample prints.

Productive

- Short warm-up time
- Fast first output (7.5 seconds or less)
- High-speed production at 20 pages per minute
- Few refills with maximum 1,350-sheet paper capacity

Security

Digital distribution is the norm, but security issues are an everyday reality. The MP 201^{SPF} offers the safety you require. The optional 80GB HDD has Data Overwrite Security and Encryption as standard. Internal documents are secured by the printer's Locked Print and Hold Print functions.

Powerful G3 faxing

- Get notified if documents have been placed upside down
- Check, store and print fax messages from your computer with Web Image Monitor*
- Fax forwarding to email

*Optional HDD required.

Paperless fax with email notification

This function notifies the user via email that faxes have been received. You can then view, print, delete or download from the MFD directly to your PC using Web Image Monitor*.

*Optional HDD required.

Environmentally friendly

At Ricoh we help you lower the environmental impact in your office as well as lowering your cost. The Aficio™ MP 201^{SPF} has eco-friendly and money-saving features such as fast duplex printing and copying, sleep mode, increased toner yield and low TEC (Typical Electricity Consumption).

Seamless integration

Today, multifunction devices have remarkable capabilities. Whether you're faxing, colour scanning, copying or printing, the output is high quality. They produce hardcopies at faster speeds and turn scans into dynamic files.

But at Ricoh we go further and our motto speaks for itself; "Believe in a better way".

Our products can be seamlessly integrated into your business and are developed to be intuitive to your specific needs. With our Business Solutions Group, we are always finding better ways for you to do business with the help of your Ricoh device.

Not only will Ricoh's range of multifunction devices and software solutions improve your organisation's efficiency and productivity, it will also reduce your impact on the environment.
